

Why do students love Lean Library

"I wanted to say how much easier life has been when doing research with the roll out of the Lean Library plug-in for web browsers."

– Undergraduate Student,
Utrecht University

"I love this extension. It improves my search for articles a thousand times. You have taken away a most hated hurdle in my life"

– Postgraduate Student,
University of Manchester

Research like a pro with Lean Library

Install the plug-in to unlock free legal access to academic papers and eBook resources.

- ✓ Easy to download and install
- ✓ Access library resources from anywhere
- ✓ Support from your library
